Hester Scheurwater over Sincerely Not Yours:

Met 'Sincerely Not Yours' heb ik vrouwen in beeld gebracht die gehoor gaven aan mijn oproep voor mijn camera te poseren. Deze vrouwen, die affiniteit hebben met mijn drive en werk, wilde ik naakt in hun on|volmaaktheid tonen. Hun kracht heb ik geprobeerd in mijn foto's tot uitdrukking te laten komen. Met deze beelden geef ik een visueel commentaar op een eenzijdig beeld van de vrouw in de media. Mijn ambivalentie tegenover dat beeld van de vrouw als object staat hierin centraal. In 'Sincerely Not Yours' is het onvolmaakte soms volmaakt geworden. Daarom heb ik dit pamflet, deze beeldende brief in de openbare ruimte 'ondertekend' met een serie confronterende zelfportretten. Het verspreiden van honderden ansichtkaarten, stickers, zines en affiches in de openbare ruimte is onderdeel van deze visuele brief als beeldend pamflet 'Sincerely Not Yours'.

Sincerely Not Yours,

Hester Scheurwater

In deze solotentoonstelling laat Hester Scheurwater een selectie foto's zien die eerder verspreid zijn als beeldend pamflet. 'Sincerely Not Yours'.

Deze serie is tot stand gekomen met een O&O subsidie van het CBK Rotterdam.

Hester Scheurwater on Sincerely Not Yours:

With "Sincerely Not Yours" I portrayed women who responded to my call to pose for my camera. I wanted to show these women, who have an affinity with my drive and work, in their im|perfect nakedness. I have tried to express their strength in my photos. With these images I provide a visual commentary on a one-sided image of women in the media.

My ambivalence towards that image of women as an object is central to this. In "Sincerely Not Yours" the imperfect has sometimes become perfect. That is why I "signed" this pamphlet, this visual letter in public space, with a series of confronting self-portraits. The distribution of hundreds of postcards, stickers, zines, and posters in the public space is part of this letter as a visual pamphlet "Sincerely Not Yours".

Sincerely Not Yours,

Hester Scheurwater

In this solo exhibition, Hester Scheurwater shows a selection of photos that were previously distributed as a visual pamphlet: "Sincerely Not Yours".

"Sincerely Not Yours" was realized with an R&D subsidy from the CBK Rotterdam.
